For Individual-Based Categories

Bio of Nominee (500 word max)

Bio of Organization or News Outlet (500 word max)

Describe the nominee in five (5) words

Category-Specific Questions: See below. 1,000 word max. Use metrics, personal anecdotes, press clips, success stories, etc.

Best Journalist

Why should this individual win the award?

What makes his/her storytelling stand out?

How does he/she keep us informed on the latest and greatest in the clean energy economy?

Champion In Diversity, Equity, and Inclusion · Individual

Why should this individual win the award?

Describe how he/she contributes to a more diverse, equitable, and inclusive workplace culture. How is he/she making an impact in the clean energy economy?

Investment Leader of The Year · Individual

Why should this individual win the award?

What makes his/her leadership stand out?

How has he/she successfully led the company?

How does he/she serve as an example for other leaders?

Rising Star

Why should this individual win the award?

What makes this person different from other rising stars?

How is he/she making an impact in the clean energy economy?

Trailblazer

Why should this individual win the award?

How does this cleantech leader serve as a mentor and champion for younger professionals?

How has he/she made an impact in the clean energy economy?

Woman of The Year

Please describe how this woman shows exceptional leadership, innovation, and mentorship.

How is she making an impact in the clean energy economy?

All fields required

Nomination Questions Step 3 of 6

For Company-Based Categories

Bio of Company or News Outlet (500 word max)

Category-Specific Questions: See below. 1,000 word max. You are required to answer this question. Use metrics, personal anecdotes, press clips, success stories, etc.

Company of The Year

Enterprise, SMB, Startup, and Nonprofit

Why should this organization win this award?

Please describe how the cleantech organization developed, promoted, and executed DE&I initiatives that are making a difference. How are these efforts keeping employees involved and engaged, even during a pandemic?

Best Corporate Sustainability Program

Why should this team or organization win this award?

Corporate sustainability is the major pillar of any organization. Tell us why going green is important to the organization being submitted for an award.

How did the organization educate their workforce and inspire employees to get on board? Did they start a new program? Make a switch to renewable energy, better waste management, etc.?

How did the organization transform their business practices to better the welfare of people and the planet?

What metrics did they develop for success and how did they measure against them?

Best Media Outlet

Why should this media outlet win this award?

How does this media outlet serve as the “go to” source for cleantech and climate news? We will turn the judging over to our community!

College Excellence

How does the undergraduate or graduate-level student or group make an impact in cleantech through coursework, capstone research projects, and various competitions?

What makes this individual or group stand out as the next rising star(s)?

All fields required

Nomination Questions Step 3 of 6

For Company-Based Categories continued

Champion In Diversity, Equity, and Inclusion · Corporate

Why should this organization win this award?

Describe how the organization developed, promoted, and executed DE&I initiatives that are making a difference. How are these efforts keeping employees involved and engaged, even during a pandemic?

Investment Leader of The Year · Corporate

Why should this team or organization win this award?

Why does this organization stand out from others?

How is the organization setting an example for other organizations making investments in the clean energy economy?

Keep The Power On

Why should this organization win this award?

How does the organization ensure energy capacity meets demand in communities across the nation?

How is the company diversifying offerings to support its communities through clean and sustainable solutions?

Pioneer In New Technology

How does the individual and/or organization manufacture, design, engineer and/or promote cleantech solutions?

How is the new technology impacting the clean energy economy?

If the product hasn't yet deployed, share its potential for success.

Project of The Year

Why should this project win this award?

How has this project added tremendous community value? This may include local economic impact, environmental impact, or carbon offset impact.

We will turn the judging over to the community.

All fields required
